Time since last attended an educational event	Zip Code first three digits	Organization Type	Comment
Never	061	Provider/Payer	Although I am a new member to this chapter, I have found the site to be easy to navigate through and the information to be very useful. I am hoping to have the opportunity to attend one of your conferences in the near future. Respectfully, Kim Cowdrey
Within the last 6 months	060	Business Partner	Everything requires some changes in some areas. Total star ratings for each item is not ideal.
Within the past 2 years	061	Provider/Payer	Information provided is good, connecting to others and networking could be improved
Never	064	Provider/Payer	It seems like all the events are based in mid to upper ct. How about a Fairfield county event? I will not be rejoining this year, as I do not feel connected to the organization.
Within the past year	065	Provider/Payer	Many events are in the Hartford Area which is inconvenient from New Haven.
Within the last 6 months	061	Provider/Payer	Quality education sessions just wish more folks were able to attend.
Never	065	Provider/Payer	stopped receiving magazines?
Within the last 6 months	061	Provider/Payer	Use central locations

Within the last 6 months	067	Business Partner	All of the above
Never	061	Provider/ Payer	In depth training for facility based compliance and billing would be greatly appreciated as I have worked in the professional field for so many years, I find it difficult finding guidelines and regulations for facility based establishments.
Within the last 6 months	061	Provider/ Payer	New market forces from new competition (pharmacies, Walmart, Amazon..)
Within the last 6 months	061	Provider/ Payer	Pros and Cons of the Single Payor / Medicare For All approach to health care

**Please elaborate on the barriers that you selected above, what would make our chapter's events so compelling that you would have to attend? Please also offer any other comments you would like to offer our chapter.**

Time since last attended an educational event	Zip Code first three digits	Organization Type	Comment
Within the last 6 months	064	Business Partner	Current job is in long term care which is not addressed as frequently as it is by ALTCFM.
Within the last 6 months	064	Business Partner	Have not been a member long enough to comment.
Within the last 6 months	060	Business Partner	I am no longer employed (retired) Attend for my benefit,
Within the last 6 months	060	Business Partner	none
Within the last 6 months	067	Business Partner	Time constraints. I personally believe you get more out of a training session when you attend in person. Problem, unless you want to extend you day it is harder to attend. alternative is more webinars, but you don't get the interaction of the in-person crowd.
More than 2 years ago	066	Provider/Payer	Cost
Within the past 2 years	061	Provider/Payer	Have not seen events recently
Never	061	Provider/Payer	My current job does not always provide funding to employees to have the ability to attend HFMA conferences and the cost is sometimes a little high.
Within the last 6 months	060	Provider/Payer	N/A I usually attend
Within the past year	064	Provider/Payer	PERSONAL (Family commitments/obligations on weekend evenings).
Within the last 6 months	061	Provider/Payer	Prefer more centrally located venues with less traffic issues than those associated with Greater Hartford area locations.  Include at least one practical presentation/workshop for an issue of more immediate concern.
Within the last 6 months	068	Provider/Payer	Some events are not relevant to me or are on a long distance from me.
