KEY FACTORS

New Senior Level Banner Leadership in Revenue Cycle

- Hyper focused on education and creating a best-in-class RCM team
- New leaders' new vision

Gap analysis of the PAS education teams (Acute/Ambulatory)

- Decentralized
- Reporting up through different service lines and leaders
- Limited scope based on current areas of focus
- Disparate leadership expectations
- Potential for inefficiencies

Solution

- Centralize PAS Education teams
- Create and hire Director of RC Education and Quality
- Reduce Silos across Revenue Cycle

6

SOLUTION BENEFITS

THE SOLUTION

PROJECTED BENEFITS

- The Solution
 - Hired Director
 - Centralized PAS educators to one team
 - 8 Acute focused educators
 - 4 Ambulatory focused educators
- Projected Benefits
 - Promote growth and development for our staff through learning new technology and skills across the education, quality and analytics spectrum.
 - Creates an integrated team to roll new technology across acute and ambulatory service lines.
 - Reduces silos across the system to come together as an integrated team who perform functions across the spectrum of Revenue Cycle.
 - Support growth of additional departments for Educational needs
 - Single point of contact for Revenue Cycle Education

PIVOT TO VIRTUAL INSTRUCTION

- During the same month we completed our centralization the directive to shelter in place was activated.
- This directive initiated an immediate pivot to 100% virtual instruction.
- It was clear we had a major technology deficit, and new tools would be necessary.

FINDINGS

10

Weaknesses

- No dedicated LMS
- Multiple areas for content
- Increased turnover

Threats

- The inability to effectively train
 - New employees
 - Continued education for process/workflow changes

Strengths

- Centralized education team
- High performers
- Innovative mindsets

Opportunities

- Leverage our internal HR LMS system
- Engage a vendor for content creation and interactive learning modules

OPPORTUNITIES

Engage a Vendor for Content Creation

- Signed a contract with vendor
- Implemented a project lead from current central team
- Project Manager from the vendor side

Content Creation

- Banner specific workflow integration
- Consistent formatting
- Interactive “click” actions
- Informative captions
- Interactive text entry
- Knowledge checks
- Scored assessments
- Voice over technology

Leverage our Internal HR LMS

- Implemented a dedicated RC widget in the LMS
- Uploaded interactive content

Benefits

- Exposed to LMS activities and system maintenance requirements
- Great engagement from HR partners
- Able to utilize widget for in and out-of-scope departments for cross venue access

Limitations

- No ownership
- Limited admin rights
- No build capabilities
- System HR tool

11

EXPANDING THE VENDOR PARTNERSHIP

Learning Management System Implementation:

Expanded contract with content vendor to purchase a Banner Rev Cycle owned LMS

- Configurable & highly customizable (beyond just changing colors and logos)
- Ability to grow effectiveness and functionality
- Access to personal vendor development and support
- Banner Education team ownership of any courseware design assets
- Integration opportunities

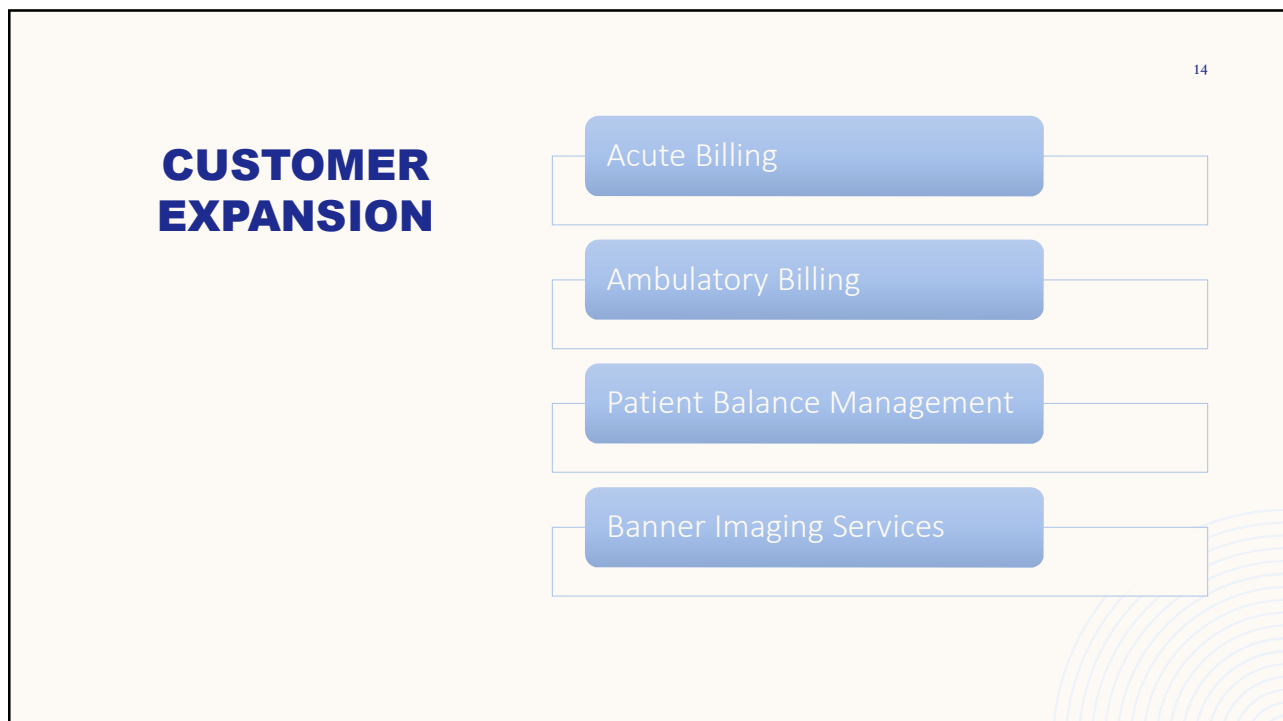

Design will support internal and external initiatives as needed – “one stop shop” – Experience for Revenue Cycle

Revenue Cycle Career Path/Certifications:

Purchased Certification Package with a Nationally Recognized Partner

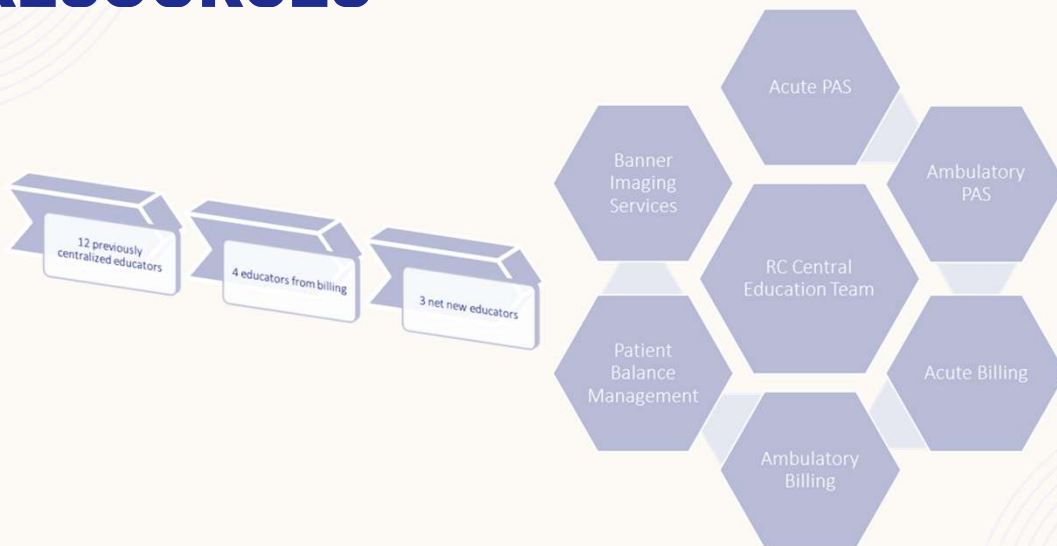

- 4 Certification Opportunities
- 7 Curriculum Packages for advanced learning
- Area specific e-Learning
- Purpose-driven curriculum ladders in order to promote career growth
- Integration into LMS
- Allows for staff to achieve personal and professional development goals through E-Learning offerings
