Letter From Our President

Dear HFMA Family,

It is truly an honor to serve as your new President of the HFMA Tennessee Chapter. As we look ahead to an exciting year, I want to share our chapter's guiding theme: **#BeBetter**.

#BeBetter is more than a slogan—it's a call to action. It reminds us that no matter where we are in our professional or personal journeys, we can always strive for growth, improvement, and positive impact. Our healthcare environment continues to evolve rapidly, and together, we have the opportunity to rise to the occasion with resilience, creativity, and collaboration.

Throughout the year, our chapter will focus on creating meaningful opportunities for members to grow, connect, and lead. Here's what you can look forward to:

- **Relevant Education:** Access to timely and impactful sessions to keep you ahead in healthcare finance and leadership.
- **Stronger Connections:** More opportunities to engage with peers, mentors, and thought leaders across the state.
- **Leadership Development:** Programs and initiatives that help you grow your influence and confidence.
- **Community Engagement:** Efforts to give back through service and support for healthcare organizations in our region.

We invite every member to take part in this journey. Whether you attend an event, volunteer for a committee, or mentor a colleague, your involvement makes a difference — and makes you better.

Thank you for your trust and commitment. Together, let's challenge ourselves to improve, inspire one another, and make this an unforgettable year.

Let's **#BeBetter**—together.

Warm regards,

Clint Jones, CHFP

Introducing: Board Member Spotlight!

We're excited to launch a new feature in our newsletter—Board Member Spotlight! Each edition, we'll highlight our dedicated board members, sharing a bit about their professional background, personal interests, and what inspires their involvement with HFMA TN. Through a fun Q&A format, we hope this section helps our members connect more personally with the leadership team that helps guide our chapter's mission.

Misty Bracket
VP of Revenue Cycle, Erlanger
HFMA TN - Chairperson

This month, we're excited to spotlight a dedicated leader in our chapter - Misty Bracket, VP of Revenue Cycle at Erlanger. A long-time HFMA TN member and past chapter president, Misty was inspired to join HFMA to help drive change, give voice to key issues, and foster education. Through HFMA, they've not only expanded their professional network but gained a second family. One of their favorite memories? A scavenger hunt with chapter leadership at Disney - where teamwork and fun took center stage. Passionate about leadership development, Misty is especially proud of the Rising Star program and its impact. When not leading revenue cycle initiatives, they enjoy adrenaline-filled adventures, fishing, and relaxing with a favorite show like *The Middle*. Their advice to new members? "Do it—you'll be enriched beyond what you can imagine."

Clint Jones
CEO, RCGence, Inc.
HFMA TN - President

Clint Jones, CEO of RCGence, Inc., brings a thoughtful and intentional approach to both his career and his involvement with HFMA. For those considering joining, Clint offers practical advice: make sure HFMA aligns with your career goals—especially if you're pursuing roles like CFO, revenue cycle leadership, or supporting those areas through products and services. He emphasizes the value of HFMA's educational tools, such as CHFP and CRCR certifications, and the importance of staying current through its publications and forums. For Clint, networking is more than a buzzword—it's about connecting with professionals to share ideas and solve real-world challenges. His guiding principles, "Be Better" and "Be Intentional," reflect his commitment to purposeful growth and continuous improvement, both personally and professionally.

Tennessee Chapter Shines at HFMA Leadership Summit

The HFMA Leadership Summit in Nashville brought together chapter leaders from across the country for a few days of collaboration, celebration, and forward-thinking strategy. The event focused on sharing experiences, innovative ideas, and best practices to strengthen local and regional chapters.

We're proud to share that the HFMA Tennessee Chapter has been recognized with multiple national awards, including runner-up for the Multi-Chapter Engagement Award alongside the Wisconsin Chapter, as well as the prestigious CEO Engagement Award. In addition, we were honored with the Copycat Award and the Early Bird Award. These accolades reflect our chapter's creativity, responsiveness, and proactive engagement throughout the year, and are a testament to the outstanding leadership of our board and the collective dedication of our entire chapter.

The summit left us energized and more committed than ever to delivering impactful content, fostering meaningful engagement, and equipping our members with the tools they need to thrive in today's dynamic healthcare landscape.

We're grateful for the opportunity to host and connect in our home city of Nashville—and we're ready to lead forward!
